Last Run Report

The club's last run for the year was our Xmas party at the barn. The weather was a bit cloudy and people were unsure what to bring along as their ride. Everybody met up at the top end of the Kmart car park and most opted to bring along the plastic. It was a short cruise down Rowbotham St to The Barn, once everybody arrived and settled down with a drink we were all entertained by one of our members Greg Bird who brought along his equipment and sang a few songs. Lunch was ready and everybody sat down and enjoyed a nice xmas lunch and some more drinks. After lunch Greg sang some more songs and some got up and had a dance, Julie took over the microphone and sang a couple of songs. Bev also belted out a song or two as well. Later in the afternoon we showed a video and slide show of pictures of the club events for the year, as we were doing that the heavens opened up and a large storm came across. For some of the members that left earlier they must have got through, but for a hand full that left a little later got caught between all creek crossings. After a few hours of waiting around we finally all made it back to The Barn for a cup of coffee and to wait till another creek crossing was low enough to get through. Around eight thirty we all left and made it pass the crossings and made it home later that night, it was surely a adventure. About 5 hours in total. Apart from that it was a great day out and everybody enjoyed themselves I hope. Would like to thank Greg for taking the time to bring down his equipment and entertaining us. Unfortunately Greg was stuck with us at the flooded crossing and didn't make another engagement that night. Also well done to Bev and Jim for organizing the run. Not sure if everyone knows but Yasmin has officially resigned as secretary of the club and I would like to thank Yasmin for putting her name forward and taking on the committee position as secretary. Sue Davy has come forward and offered to become the new secretary of the club. Thanks Sue. (more pics on website)
